The Croods: A New Age is a 2020 American computer-animated adventure comedy film produced by DreamWorks Animation and distributed by Universal Pictures. The sequel to The Croods (2013) as well as the second film in The Croods franchise, it was directed by Joel Crawford from a screenplay by Paul Fisher, Bob Logan, and the writing team of Dan and Kevin Hageman, based on a story by Kirk DeMicco and Chris Sanders, the directors of the previous film. The film features the returning voices of Nicolas Cage, Emma Stone, Ryan Reynolds, Catherine Keener, Clark Duke, and Cloris Leachman alongside new additions to the cast including Peter Dinklage, Leslie Mann, and Kelly Marie Tran. The film follows The Croods, Guy and their pets Belt, Chunky and Douglas, as they discover an idyllic, walled-in paradise that meets all of its needs. Unfortunately, they must also learn to live with the Bettermans, a family with a couple of steps above the Croods on the evolutionary ladder.
